

Parent/Guardians:

Included with the *new Online Registration* process for new students, is the capability for our existing families to make their **Annual Updates**. This will replace the Census Verification forms that the district previously required our families to update twice a year. *(Please note, unless you have changes related to the upload buttons on each section, it is not necessary to submit that information. You can move forward to the next page.)*

To make these changes, you will need parent portal access within Infinite Campus. Simply e-mail wvportalsupport@wv.kyschools.us to request this access by giving us your legal name, phone number, your child's name and grade.

Once you have parent portal access, you will follow this path to make your **Annual Update** changes:

From the Index on the left hand side, choose *More > Online Registration*.

If you are an existing family and need to complete your **ANNUAL UPDATE** click:
