

Dear Middle & High School Families,

Great news! The middle school has partnered with Smile Programs...the mobile dentists to offer in-school dental care. Sign up your child today at:

High School Students: https://www.myschooldentist.com/WHWIKY_schsrn

Middle School Students: https://www.myschooldentist.com/MMWIKY_schsrn

Even better, dental care is usually at no cost to you. All insurance is accepted including Medicaid and CHIP. For those without insurance, a low cost self-pay option is available.

School Smiles will be at WVMS & WVHS on September 13 & 14th for our Middle and High School Students! If you are interested in having your student participate in this please fill out the online application form above ASAP. The online application is the only way to do it this year as we have gone paperless!

If you have questions reach out to me at (859)-818-2838!

Cole Mosier
Youth Service Center Coordinator (YSC)

Convenient and comfortable

Our in-school dental program saves you time and provides a safe and comfortable place for your child to receive gentle dental care from licensed local professionals. Dental care includes a complete dental exam, x-rays, cleaning, fluoride and sealants when necessary, and in some cases, restorative care such as fillings.

Dental care for a healthy life

Children who see a dentist regularly may have fewer health issues like:

-  Early tooth loss due to dental decay
-  Gum disease
-  Heart disease
-  Impaired speech development

Help keep your child healthy, in school and learning.
