## Auto Registration

### Rules and Regulations Pertaining to Parking on Campus

Parking passes must be displayed on the rearview mirror and must be visible from the outside of the vehicle. All student drivers are required to park in the designated student parking lot. Any exceptions must be cleared with the Principal, Assistant Principal or school Resource Officer.

If an alternative vehicle is to be parked on school property, the original assigned pass must be transferred to that alternative vehicle and properly displayed. Additionally, the Principal, Assistant Principal, or school Resource Officer must be made aware of the temporary change. A permanent vehicle change requires completion of a new Auto Registration form.

Failure to comply with these requirements and those listed in the Walton-Verona Code of Conduct may result in the loss of parking privileges and/or a citation (ticket) for violation of Boone County Ordinance 71.77 – Improper Parking in a Restricted Area.

The undersigning parent or guardian hereby gives permission for their student to drive a vehicle to and from school and releases the School District of transportation responsibilities and liability concerning accidents involving the student, passengers or vehicle.

### From the Walton-Verona Code of Conduct – Parking of Automobiles

Cars parked on school property are subject to searches by law enforcement drug dogs. These searches will occur at random during the year.
