

December 19, 2023

Walton-Verona Stakeholders:

Typically, we finalize the school calendar for the upcoming school year in the fall/early winter. However, this year, the process of developing and approving our school calendar for the 2024-2025 school year has been delayed at my request.

So, I wanted to provide the following information to all stakeholders:

- The severity of our winter weather could delay work on the Intermediate School. With this in mind, I have delayed the development of our school calendar for the 2024-2025 school year to avoid potentially needing to postpone the start of the school year if the Intermediate School is not finished.
- The process for developing/approving our school calendar for the 2024-2025 school year will begin in January. This process will likely conclude by mid-March. Once the calendar for the next school year is finalized, I will share it with all stakeholders.

As always, please get in touch with me directly with any questions or concerns.

Sincerely,

Dr. Matt Baker
Superintendent
