Walton-Verona Stakeholders:

Early this morning, school and district administrators were made aware of some vague statements on social media about potential violence in area schools today. Our administrators began investigating these statements in partnership with the Boone County Sheriff's Office. I am pleased to report that **NO CREDIBLE THREATS** to our schools or students exist.

We will continue to monitor the situation in partnership with local law enforcement and will take swift and decisive action if it is warranted. The safety of our students and staff continues to be our primary goal.

Sincerely,

Dr. Matt Baker  
Superintendent
