

Walton-Verona Access Code:

WAL10033

Know when your child's bus is approaching.

Lighten your daily load.

Raising children is a tough job. This easy-to-use mobile app allows you to check location of the school bus and receive notification when the bus is approaching or arrives at school.

Key features:

Set up Zonar MyView:

1. Download the Zonar MyView app from Google Play or the App Store
2. Enter the Walton-Verona School Access Code WAL10033
3. In the search field, enter the bus or route number you want to follow.
*Complete this step for all the buses your students ride throughout the week
4. Enter your child's unique student ID found in the IC Parent Portal
5. Create alert zones around drop-off and pick-up points

When your child's bus enters an alert zone, or arrives at school, you will receive a notification right to your cell phone or mobile device

- View a real-time, map-based bus location
- Guarantee parent and student information privacy
- Create custom zones for each stop and facility
- Receive Transportation push notifications and alerts
- Available on smartphones and tablets

Trust that your information is secure.

Security is priority one, especially where student information is concerned. All parent information is locked down and password protected within the app to prevent unauthorized people from opening the app and viewing the child's bus information.

If you have questions about setup and support, email myview.support@wv.kyschools.us
